“THE GOVERNMENT SHALL REST ON HIS SHOULDERS”

ISAIAH 9:6

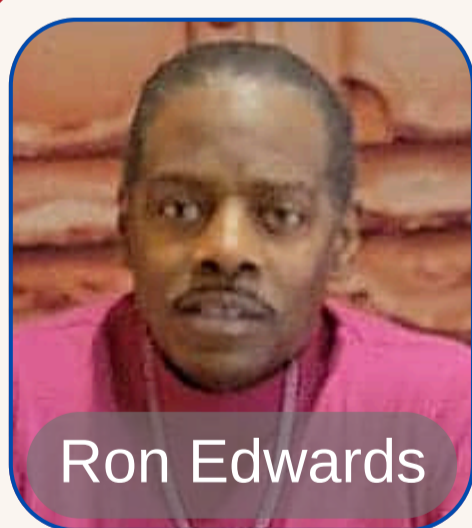

This conference offers enlightening presentations and training sessions on "**How America's Founders Anchored the Government in Biblical Principles.**"

- ✓ Improve our appreciation of how the Bible applies to every aspect of life, including civics.
- ✓ Equip us to understand The Bible's Ten Commandments are our natural, common law, inalienable rights and "self-evident truths" referenced in The Declaration of Independence!
- ✓ Equip us as disciples who hold government accountable to administer the provisions within America's Constitution, including:
 - Establish Justice according to Biblical law and order.
 - Insure Domestic Tranquility by honoring God's plan for education and the heterosexual family
 - Provide for the Common Defense by securing our borders, national defense and sovereignty
 - Promote the General Welfare by operating social programs within the Bible's provisions
 - Secure The Blessings of Liberty by resisting any government official who violates We-the-People's Ten Commandment Biblical rights.
